## Sewer Repairs to Impact Nob Hill Boulevard

Nob Hill Boulevard will be reduced to two lanes between 16th Avenue and 12th Avenue tomorrow, Friday, for sewer repairs.

Traffic control will begin at 9:00 am Friday, May 9th, and traffic will be limited to two lanes until work is completed on this section of Nob Hill Boulevard. It's anticipated work will be complete by around 9:00 pm Friday.

Access will be maintained to properties in the project area.

Traffic delays in the project area are likely to occur. Drivers should use alternate routes if possible until the project is completed.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more about the project call City of Yakima Chief Engineer Dana Kallevig at 509-575-6048.
