Release Date: Friday, October 30th, 2026

Infrastructure Project to Impact Traffic on Nob Hill Next Week

Improvements to a water main and roadway surfaces are continuing to impact traffic on a portion of Nob Hill Boulevard.

As a result of the project, Nob Hill will be closed between 28th Avenue to 40th Avenue each night from November 3rd through November 6th. The closure will occur from 7:00 pm to 7:00 am.

Detours around the project area will be available. Drivers should pay attention to traffic control signs in the area alerting them to detour routes and other traffic impacts.

Drivers should expect localized traffic and parking impacts in the area and are encouraged to slow down and proceed cautiously through work zones.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area if necessary.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.
