# **News Release**

**Subject: West Nob Hill Boulevard Water Service Repairs**

**Contact: Water Distribution Supervisor Emilio Lopez – 575-6196**

**Communications & Public Affairs Director Randy Beehler – 901-1142**

**Release Date: Monday, August 10<sup>th</sup>, 2015**

## **Drinking Water System Repair to Impact Traffic on West Nob Hill Boulevard**

Water service repairs will disrupt traffic in the eastbound lanes of a portion of West Nob Hill Boulevard on Tuesday, August 11<sup>th</sup>. The work will begin at 5:00 am and should be completed by 3:30 pm.

The eastbound and westbound lanes of Nob Hill Boulevard between South 28<sup>th</sup> Avenue and South 26<sup>th</sup> Avenue will be restricted while the project is underway. Traffic will be channeled through the construction zone.

Because of heavy traffic volume, drivers can expect delays in the project area. Drivers should use alternate routes if possible until the work is completed.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area if necessary.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Water Distribution Supervisor, Emilio Lopez at 575-6196.
