Release Date: Thursday, May 4th, 2023

City to Offer Online Dog Licensing

Starting next week, the City of Yakima will offer new options for purchasing dog licenses.

Effective Sunday, May 7th, residents can purchase dog licenses online without having to buy them at City Hall. The online portal is scheduled to go live on Sunday and will be available at <https://www.yakimawa.gov/services/codes/dog-licensing>

Providing further flexibility for dog owners, the City is offering licenses with a one or 3-year duration.

“A prerequisite to licensing is proof of rabies vaccination,” said Supervising Code Inspector Tony Doan. “This vaccination expires every three years, so the 3-year dog license option is more efficient for the City and the savings are passed on to dog owners through a discounted fee.”

Dog owners without access to the online portal can still purchase licenses at Yakima City Hall, 129 North 2nd Street. Dog licenses will be available on the second floor, where a kiosk will be provided at the Codes counter from 8:30 am to 4:30 pm, Monday through Friday.

In keeping with Yakima Municipal Code 6.20, new fees and terms for dog licenses within the City of Yakima are as follows:

- 1 year (altered) \$25.00
- 1 year (unaltered) \$75.00
- 3 year (altered) \$60.00
- 3 year (unaltered) \$180.00
- Replacement tag \$10.00
- Senior Citizen 1 year (altered) \$12.50
- Senior Citizen 1 year (unaltered) \$37.50
- Senior Citizen 3 year (altered) \$30.00
- Senior Citizen 3 year (unaltered) \$90.00

The senior citizen rate for dog owners is available to residents ages 62 and older.
