**Subject: Planned Power Outage at 316 East Yakima Avenue**

**Contact: Communications & Public Affairs Director Randy Beehler – 901-1142**

**Release Date: Thursday, September 7<sup>th</sup>, 2017**

## **Power Outage Planned at 316 East Yakima Avenue**

A planned power outage this afternoon may impact traffic on a section of Yakima Avenue.

Pacific Power is planning a power outage from 12:30 pm to 4:30 pm today, Thursday, at 316 East Yakima Avenue. As a result, the City traffic signal at the intersection of Third Street and East Yakima Avenue may be out of service during the outage.

Motorists are advised to avoid the area if possible this afternoon.

The planned outage is due to a power disconnect and reconnect for a building remodel at 316 East Yakima Avenue.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.
