**Subject: Stormwater Project to Close Powerhouse Road**

**Contact: Wastewater Maintenance Supervisor Robert Brown – 509-406-7103**

**Communications & Public Affairs Director Randy Beehler – 509-901-1142**

**Release Date: Monday, August 22<sup>nd</sup>, 2022**

## **Stormwater Project to Close Powerhouse Road**

A section of Powerhouse Road will be closed Tuesday, August 23<sup>rd</sup>, for a stormwater manhole project.

The project will close Powerhouse Road from Englewood Avenue to 26<sup>th</sup> Avenue during scheduled work hours of 6:00 am to 3:00 pm. Flaggers and signs will be in place to assist drivers with detours.

Drivers are reminded that the speed limit through all traffic-related work zones within the City of Yakima is 20 miles-per-hour.

During the project, traffic delays in the area are likely to occur. Drivers should use alternate routes until project completion.

The work may cause interruptions in scheduled refuse collection. Contact the City of Yakima Refuse Division at 509-575-6005 for more information.

The schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

Contact Wastewater Maintenance Supervisor Robert Brown at 509-406-7103 for more information about the project.
