Powerhouse Road Closure Required for Sidewalk Work

Powerhouse Road will be closed between Englewood Avenue and North 26th Avenue starting Tuesday, July 18th, and continuing through Friday, July 21st.

The closure is required for a sidewalk construction project. It will be in effect 8:00 am until 3:00 pm each day during project work hours.

Due to heavy traffic volumes on Powerhouse Road, drivers can expect delays and should use alternate routes if possible until the work is completed. Detours around the construction site will be available.

Drivers are reminded the speed limit through all traffic-related work zones within the City of Yakima is 20 miles-per-hour.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area if necessary.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Acting Construction Supervisor Dana Kallevig at 509-249-6813.
