Release Date: Wednesday, September 28th, 2017

Randall Park Paving Project to Impact Traffic on 48th Avenue

A paving project related to the expansion of the west parking lot at Randall Park will result in the closure of a section of 48th Avenue for most of the day on Thursday, September 28th.

As a result of the project, the section of 48th Avenue between Nob Hill Boulevard and Washington Avenue will be closed on September 28th from 6:00 am to 4:00 pm. Detour routes around the project area will be available and will be marked with appropriate signage.

Drivers are reminded that the speed limit through all traffic-related works zones within the City of Yakima is 20 miles-per-hour.

During the project, traffic delays in the area are likely to occur. Drivers should use alternate routes until the project is completed.

As always, the schedule for this type of a project is subject to change daily dependent on weather, equipment failure, and emergencies.

For additional information about this project, contact Streets and Traffic Operations Manager Joe Rosenlund at 576-6430.
