Repair to Impact Traffic at Front Street and Yakima Avenue

Southbound traffic on Front Street at the intersection of Yakima Avenue will be detoured tomorrow, Tuesday, for a repair project.

Traffic will detour at Staff Sgt. Pendleton Way to 1st Street from 6:30 am to 3:30 pm so crews can work on a sinkhole in the area. In addition, Yakima Avenue will be one lane westbound to Front Street during the project work hours.

Access will be maintained to properties in the project area.

Drivers are encouraged to slow down in work zones, look out for workers and follow the posted speed limit.

As always, the schedule for this type of a project is subject to change daily dependent on weather, equipment failure, and emergencies.

Contact Street Maintenance Supervisor Jay Kendall at 509-576-6443 for more about the project.
