# **News Release**

**Subject: Industrial Waste Sewer Extension Project**

**Contact: Wastewater Supervisor Marc Cawley – 575-6118**

**Communications & Public Affairs Director Randy Beehler – 901-1142**

**Release Date: Friday, April 17<sup>th</sup>, 2015**

## **Sewer Line Extension Project Update**

Paving activities will occur on Nob Hill Boulevard between South 1<sup>st</sup> Street and South 6<sup>th</sup> Street, on Monday, April 20<sup>th</sup>, resulting in a nighttime closure of the two eastbound travel lanes and center turn lane. A detour will be posted at South 1<sup>st</sup> Street and South 6<sup>th</sup> Street.

Construction activities may temporarily affect homeowners and businesses adjacent to the project area.

During the project, traffic delays in the areas are likely to occur. Drivers should use alternate routes if possible until the project is completed.

Access to homes and businesses in the project area will be impacted, but will be maintained when possible. Emergency vehicles will be allowed through the project area if necessary.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

P.O.W. Contracting, Inc., a Pasco-based firm, is serving as the primary contractor on the industrial waste sewer extension project.

For additional information regarding this project, contact Wastewater Operations Manager Marc Cawley at 576-6303.
