# **News Release**

**Subject: Sewer Line Installation Project**

**Contact: Chief Engineer Brett Sheffield – 576-6797**

**Communications & Public Affairs Director Randy Beehler – 901-1142**

**Release Date: Monday, April 27<sup>th</sup>, 2015**

## **Lane Restrictions on Tieton Drive During Sewer Installation**

The installation of sewer service to a new restaurant will result in lane restrictions on a portion of Tieton Drive during most of the day both Wednesday, April 29<sup>th</sup> and Thursday, April 30<sup>th</sup>.

Tieton between about 64<sup>th</sup> Avenue and about 72<sup>nd</sup> Avenue will be narrowed to two lanes, one westbound and one eastbound from 9:00 am to 3:00 pm on both April 29<sup>th</sup> and April 30<sup>th</sup> while sewer service is extended to a new Papa Murphy's restaurant. Flaggers will be in place to help drivers navigate the project area.

While the project is underway, drivers can expect delays on roads near the project area. Drivers should use alternate routes if possible until the work is completed.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area when necessary.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Chief Engineer Brett Sheffield at 576-6797.
