Sidewalk Repair Projects to Impact Traffic on 40th Avenue and on Nob Hill

Sidewalk repair projects will affect traffic on sections of 40th Avenue and Nob Hill Boulevard during most of each day on Wednesday, June 15th and Thursday, June 16th.

Traffic restrictions will be in effect for the southbound lanes of 40th Avenue between Arlington Avenue and Nob Hill Boulevard from 8:00 am to 4:30 pm on June 15th and June 16th. Temporary closure of the southbound lanes along that section of 40th Avenue may also occur during project hours. Traffic restrictions will be in effect for the eastbound lanes of Nob Hill Boulevard between 41st Avenue and 44th Avenue from 8:00 am to 4:30 pm on June 15th and June 16th. Temporary closure of the eastbound lanes along that section of Nob Hill may also occur during project hours.

During the projects, traffic delays in and around the project areas may occur. Drivers may consider using alternate routes until the project is completed.

Access to homes and businesses in the project areas will be maintained as best as possible.

As always, the schedule for these types of a projects is subject to change daily dependent on weather, equipment failure, and emergencies.

For additional information about this project, contact Wastewater Collection Supervisor Bob Brown at 406-7103.
