---

**Subject: Storm Drain Project on SSgt Pendleton Way**

**Contact: Streets and Traffic Manager Joe Rosenlund – 576-6430**

**Communications & Public Affairs Director Randy Beehler – 901-1142**

**Release Date: Wednesday, April 14<sup>th</sup>, 2021**

## **Storm Drain Project to Impact Traffic on SSgt Pendleton Way**

A storm drain project will result in the closure of a section of SSgt Pendleton Way from Thursday, April 15<sup>th</sup> at 7:00 am through Monday, April 19<sup>th</sup> at 5:00 pm.

During the project, the section of SSgt Pendleton Way between 8<sup>th</sup> Street and 9<sup>th</sup> Street will be closed to traffic.

Access will be maintained as much as possible to homes and businesses in the project area. Emergency vehicles will be allowed through the project area if necessary.

Because of heavy traffic volume, drivers can expect delays in the project area. Drivers should use alternate routes if possible until the work is completed.

Drivers are reminded that the speed limit through all traffic-related work zones within the City of Yakima is 20 miles-per-hour.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Streets and Traffic Manager Joe Rosenlund at 576-6430.
