## **Stormwater Maintenance Project to Impact Traffic on Nob Hill**

A stormwater maintenance project will impact traffic on a section of Nob Hill Boulevard on Wednesday, June 12<sup>th</sup> and Thursday, June 13<sup>th</sup>.

Westbound traffic will be reduced to one lane on Nob Hill between 19<sup>th</sup> Avenue and 21<sup>st</sup> Avenue from 8:00 am to 4:00 pm on both June 12<sup>th</sup> and June 13<sup>th</sup> to accommodate the project.

Drivers are reminded that the speed limit through all traffic-related work zones within the City of Yakima is 20 miles-per-hour.

During the project, traffic delays in the area are likely to occur. Drivers should use alternate routes until the project is completed.

Access to homes and businesses in the project area will be maintained as best as possible.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Wastewater Collections Supervisor Bob Brown at 406-7103.
