**Subject: Stormwater Maintenance Project on Powerhouse Road**

**Contact: Wastewater Collections Supervisor Bob Brown – 406-7103**

**Communications & Public Affairs Director Randy Beehler – 901-1142**

**Release Date: Monday, December 3<sup>rd</sup>, 2018**

## **Stormwater Maintenance Project to Impact Traffic on Powerhouse Road**

A stormwater maintenance project will impact traffic on a section of Powerhouse Road from Tuesday, December 4<sup>th</sup> through Wednesday, December 5<sup>th</sup>.

Powerhouse will be closed between 24<sup>th</sup> Avenue and 26<sup>th</sup> Avenue from 9:00 am to 2:00 pm each day while the project is ongoing. Detour routes around the project area will be available.

Drivers are reminded that the speed limit through all traffic-related work zones within the City of Yakima is 20 miles-per-hour.

During the project, traffic delays in the area are likely to occur. Drivers should use alternate routes until the project is completed.

Access to homes and businesses in the project area will be maintained as best as possible.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Wastewater Collections Supervisor Bob Brown at 406-7103.
