Subject: Stormwater Project

Contact: Communications & Public Affairs Director Randy Beehler – 509-901-1142

Release Date: Friday, September 11th, 2026

Stormwater Project to Result in Traffic Impacts on South 7th Avenue

A stormwater system improvement project will result in traffic impacts on portions of 7th Avenue and West Peach Street beginning September 15th.

Work will include installation of stormwater improvements, curb replacement, and roadway paving. The work is expected to be completed by September 25th.

Access will be maintained to adjacent properties within the project area as best as possible.

Drivers should expect traffic impacts in the area and are encouraged to slow down and proceed cautiously through work zones.

As always, the schedule for this type of project is subject to change daily depending on weather, equipment failure, and emergencies.

Contact City of Yakima Wastewater/Stormwater Operations Superintendent Marc Cawley at 509-249-6854 for more information about the project.
