Subject: Stormwater Maintenance Project on Powerhouse

Contact: Wastewater Collections Supervisor Bob Brown – 406-7103

Communications & Public Affairs Director Randy Beehler – 901-1142

Release Date: Tuesday, June 18th, 2019

Stormwater Maintenance Project to Impact Traffic on Powerhouse

A stormwater maintenance project will impact traffic on a section of Powerhouse Road on Wednesday, June 19th and Thursday, June 20th.

The section of Powerhouse between 24th Avenue and 27th Avenue will be closed from 8:00 am to 4:00 pm on both June 19th and June 20th to accommodate the project.

Drivers are reminded that the speed limit through all traffic-related work zones within the City of Yakima is 20 miles-per-hour.

During the project, traffic delays in the area are likely to occur. Drivers should use alternate routes until the project is completed.

Access to homes and businesses in the project area will be maintained as best as possible.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Wastewater Collections Supervisor Bob Brown at 406-7103.
