

Yakima Police Department

News Release

Date Occurred: May 21st, 2013 **Time Occurred:** 1520 hours

Incident Type: Suspicious Device

Location: 300 E. Chestnut

Investigating Agency: Yakima Police Department

Summary:

On 5/21/13 at about 1520 hours Yakima Police officers responded to the 300 Blk E. Chestnut for a reported suspicious device located in an alley. Officers located a 3-4" diameter PVC pipe with end caps on it in the alley. EOD was contacted and they responded from the Yakima Firing Center. Following analysis, EOD determined that the object was not an explosive. EOD disposed of the pipe. Several area businesses and streets were evacuated/closed during the incident. The incident concluded at about 1710 hours.

Sgt. Tim Bardwell
