City Tennis, Pickleball Courts Closed due to COVID-19

Yakima Parks and Recreation reminds the public that tennis and pickleball courts at the City's Franklin Park are closed due to COVID-19.

The City of Yakima previously closed the dog park at Randall Park, golfing at Fisher Park, playground equipment at City Parks, the Harman Center, Lions Pool and all Parks and Recreation programs to help stem the spread of the virus.

All City facilities are closed to the public due to the virus, but normal City services continue.
