Subject: Terrace Heights Drive Barrier Repair Project

Contact: Streets & Traffic Manager Joe Rosenlund – 576-6430

Communications & Public Affairs Director Randy Beehler – 901-1142

Release Date: Wednesday, December 26th, 2018

Repair Project to Impact Traffic on Terrace Heights Drive

Both eastbound and westbound traffic on a section of Terrace Heights Drive will be reduced to one lane tomorrow, Thursday, for a City of Yakima project to repair a concrete barrier.

Traffic restrictions will be in place from 7:00 am to 3:00 pm tomorrow on Terrace Heights Drive from 18th Street to the Yakima city limits.

Known as a jersey barrier, it is in place to separate a walking path from the roadway. The sidewalk in that area will be closed while City of Yakima crews are making the repairs.

Drivers are reminded that the speed limit through all traffic-related work zones within the City of Yakima is 20 miles-per-hour.

During the project, traffic delays in the area are likely to occur. Drivers should use alternate routes until the project is completed.

Access to homes and businesses in the project area will be maintained as best as possible.

As always, the schedule for this type of a project is subject to change daily dependent on weather, equipment failure, and emergencies.

For additional information about this project, contact Streets and Traffic Operations Manager Joe Rosenlund at 576-6430.
