---

**Subject:** Traffic Signal Installation at 64<sup>th</sup> Avenue and Tieton Drive  
**Contact:** Construction Supervisor Bruce Floyd – 575-6138  
Communications & Public Affairs Director Randy Beehler – 901-1142  
**Release Date:** Friday, April 15<sup>th</sup>, 2016

## **Signal Installation to Impact Traffic on Tieton Drive Through Mid-July**

Installation of a new traffic signal at the intersection of Tieton Drive and 64<sup>th</sup> Avenue will impact traffic from Monday, April 18<sup>th</sup> through mid-July.

While the project is underway, the outside westbound lane and the outside eastbound lane of Tieton Drive between 63<sup>rd</sup> Avenue and 65<sup>th</sup> Avenue will be closed Mondays through Fridays from 7:00 am until 4:00 pm.

Because of heavy traffic volumes in the area, drivers can expect delays in and around the project area until the work is completed. Drivers should use alternate routes if possible until the project is completed.

Access to homes and businesses in the project area will be maintained as best as possible. Emergency vehicles will be allowed through the project area if necessary.

As always, the schedule for this type of a project is subject to change daily dependent on weather, equipment failure, and emergencies.

For additional information about this project, contact Construction Supervisor Bruce Floyd at 575-6138.
