News Release

Subject: Traffic Signal Upgrades at 3rd Street and Staff Sgt. Pendleton Way
Contact: Traffic Operations Acting Supervisor Dan Nickoloff – 576-6746
Communications & Public Affairs Director Randy Beehler – 901-1142
Release Date: Wednesday, June 2nd, 2021

Signal Upgrades to Impact 3rd Street and Staff Sgt. Pendleton Way

Traffic will be restricted at the intersection of 3rd Street and Staff Sgt. Pendleton Way on Thursday morning, June 3rd, for traffic signal improvements.

Traffic at the intersection will be restricted to one lane in each direction during the project work hours of 8:00 am to 12:00 pm on Thursday. Temporary stop signs will be in place as the signal will be off during the project work hours.

Crews will upgrade signal heads at the intersection, replacing 8-inch incandescent signal lights with all new 12-inch LED signal lights.

Because of heavy traffic volume, drivers can expect delays in the project area. Drivers should use alternate routes if possible until the work is completed.

Drivers are reminded that the speed limit through all traffic-related work zones within the City of Yakima is 20 miles-per-hour.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Traffic Operations Acting Supervisor Dan Nickoloff at 576-6746.
