Subject: Tree Trimming Along Powerhouse Road

Contact: Streets & Traffic Manager Joe Rosenlund – 576-6430

Communications & Public Affairs Director Randy Beehler – 901-1142

Release Date: Tuesday, May 13th, 2014

Tree Trimming on Powerhouse Road to Affect Drivers

Tree trimming along Powerhouse Road will result in the closure of a portion of the street on Thursday, May 15th.

City of Yakima crews will be cutting back branches on trees along the North side of Powerhouse to improve safety in the area. As a result, the portion of Powerhouse from the intersection of Lincoln Avenue and 24th Avenue to the intersection of Powerhouse and 26th Avenue will be closed from 8:00 am until 2:30 pm on May 15th.

Flaggers will be in place to direct traffic away from the area and to a detour route that will utilize 24th Avenue north and south and Englewood Avenue east and west.

During the project, traffic delays in the area are likely to occur. Drivers should use alternate routes if possible until the project is completed.

Access to homes and businesses in the area will be maintained and traffic will be allowed through the project area when possible.

As always, the schedule for this type of a project is subject to change daily dependent on weather, equipment failure, and emergencies.

For additional information about this project, contact Streets and Traffic Operations Manager Joe Rosenlund at 576-6430.
