Harman Center Trips and Tours Publishes World Travel Catalog

The Trips and Tours program at the City of Yakima's Harman Center recently published its World Travel Catalog for 2020.

Niagara Falls, an African safari and Portugal are just some of the travel itineraries that will be offered in 2020.

"This will allow everyone who wants to go on some of these trips plenty of time to plan ahead," said HC Trips & Tours Coordinator Lori Schatz.

The 36-page catalog is available by clicking <https://yakimaparks.com/assets/2020-World-Travel-Book-6.24.19.pdf>
