## **Utility Work to Close a Portion of Englewood Avenue**

Installation of a water line will result in the closure of Englewood Avenue between North 22<sup>nd</sup> Avenue and North 20<sup>th</sup> Avenue on Wednesday, August 12<sup>th</sup>. The work will begin at 6:00 am and should be completed by 3:30 pm.

Detours around the construction site will be available, but because of heavy traffic volume in the area, drivers can expect delays in the project area. Drivers should use alternate routes if possible until the work is completed.

Access to homes and businesses in the project area will be maintained as best as possible.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Water Distribution Supervisor Emilio Lopez at 575-6196.
