Subject: Utility Work on South 2nd Street

Contact: Water Distribution Supervisor Emilio Lopez – 575-6196

Communications & Public Affairs Director Randy Beehler – 901-1142

Release Date: Friday, March 17th, 2017

Utility Work to Close a Portion of South 2th Street

Utility work will result in the closure of South 2nd Street between East Walnut Street and East Chestnut Avenue from Monday, March 20th through Wednesday, March 22nd. Work on the project will take place from 7:00 am to 3:30 pm each day.

Because of heavy traffic volumes, drivers can expect delays in the project area. Drivers should use alternate routes if possible until the work is completed.

Drivers are reminded that the speed limit through all traffic-related works zones within the City of Yakima is 20 miles-per-hour.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area if necessary.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Water Distribution Supervisor Emilio Lopez at 575-6196.
