Communications & Public Affairs Director Randy Beehler – 509-901-1142

Release Date: Thursday, February 16th, 2023

Project to Impact Traffic on West Lincoln Avenue

Eastbound traffic will be reduced to one lane in the 1800 block of West Lincoln Avenue tomorrow, Friday, February 17th. City of Yakima crews will be in that area Friday to investigate a sink hole.

Eastbound traffic in the 1800 block of West Lincoln Avenue will be one lane during project work hours of 9:00 am to 1:00 pm Friday.

Because of heavy traffic volume, drivers can expect delays in the project area. Drivers should use alternate routes if possible until the work is completed.

Drivers are reminded that the speed limit through all traffic-related work zones within the City of Yakima is 20 miles-per-hour.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Street Maintenance Supervisor Jay Kendall at 509-575-6443.
