## **Waterline Install to Impact Traffic on South 3<sup>rd</sup> Avenue**

New water service install will disrupt traffic in the northbound and southbound lanes of South 3<sup>rd</sup> Avenue on Wednesday, October 25<sup>th</sup>. The work will begin at 7:00 am and should be completed by 3:30 pm.

South 3<sup>rd</sup> Avenue between West Viola Avenue and West Prash Avenue will be restricted to one lane going north and south through construction zone.

Because of heavy traffic volume, drivers can expect delays in the project area. Drivers should use alternate routes if possible until the work is completed.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Water Distribution Supervisor, Emilio Lopez at 575-6196.
