Release Date: Friday, October 3rd, 2014

Utility Work to Close a Portion of South 32nd Avenue

Replacement of a water service line will result in the closure of South 32nd Avenue between Webster Avenue and West Arlington Street on Friday, October 3rd. The work will begin at 8:00 am and should be completed by 3:30 pm.

Detours around the construction site will be available, but because of heavy traffic volume in the area, motorists can expect delays in the project area. Drivers should use alternate routes if possible until the work is completed.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area if necessary.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Water Distribution Supervisor Emilio Lopez at 575-6196.
