**Subject: Water Line Work on North 3<sup>rd</sup> Avenue**

**Contact: Water Distribution Supervisor Emilio Lopez - 509-575-6196**

**Communications & Public Affairs Director Randy Beehler – 509-901-1142**

**Release Date: Monday, May, 16<sup>th</sup>, 2022**

## **Water Line Work to Restrict Traffic on North 3<sup>rd</sup> Avenue**

Water line work will result in temporary water outages and traffic restrictions on North 3<sup>rd</sup> Avenue between Lincoln Avenue and West D Street starting Tuesday, May, 17<sup>th</sup> through Friday, May, 20<sup>th</sup>.

Work on the project will begin each day at around 7:00 am and last until 3:30 pm. City of Yakima water customers in the project area can expect water outages during the project work hours.

Traffic will be limited to one lane in both directions in the project area during scheduled work hours. Due to heavy traffic volumes on North 3<sup>rd</sup> Avenue, drivers can expect delays. Drivers should use alternate routes if possible until the work is completed.

Drivers are reminded that the speed limit through all traffic-related work zones within the City of Yakima is 20 miles-per-hour.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area if necessary.

The repairs may cause interruptions in scheduled refuse collection. Contact the City of Yakima Refuse Division at 509-575-6005 for more information.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Water Distribution Supervisor Emilio Lopez at 509-575-6196.
