## **Water Line Work to Close a Portion of Front Street**

Installation of a water line will result in the closure of North Front Street between SSgt Pendleton Way and Yakima Avenue from Monday, July 16<sup>th</sup> to Friday, July 20<sup>th</sup>. Work on the project will take place from 7:00 am to 3:30 pm every day until completed.

Detours around the construction site will be available, but because of heavy traffic volume in the area, drivers can expect delays in the project area. Drivers should use alternate routes if possible until the work is completed.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area if necessary.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Water Distribution Supervisor Emilio Lopez at 575-6196.
