News Release

Subject: Water Line Work on West I Street

Contact: Water Distribution Supervisor Emilio Lopez – 575-6196

Communications & Public Affairs Director Randy Beehler – 901-1142

Release Date: Friday, July 17th, 2020

Water Line Work to Close Portion Of West I Street

Water line work will result in the closure of I Street between 5th Avenue and 1st Street starting Monday, July 20th through Friday, July 31st. Work on the project will begin at 7:00 am and last until 3:30 pm each day.

Due to heavy traffic volumes on I Street, drivers can expect delays and should use alternate routes if possible until the work is completed.

Drivers are reminded that the speed limit through all traffic-related work zones within the City of Yakima is 20 miles-per-hour.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area if necessary.

The work may cause interruptions in scheduled refuse collection. Contact the City of Yakima Refuse Division at 575-6005 for more information.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Water Distribution Supervisor Emilio Lopez at 575-6196.
