Waterline Repairs to Close a Portion of North 32nd Avenue

Repairs to a waterline will result in the closure of North 32nd Avenue between Summitview Avenue and West Lincoln Avenue on Friday, October 27th. The work will begin at 7:00 am and should be completed by 3:30 pm.

Drivers can expect delays in and around the project area and should use alternate routes if possible until the work is completed.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area if necessary.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.
