Subject: Water Service Repairs on West Walnut Street

Contact: Water Distribution Supervisor Emilio Lopez – 575-6196

Communications & Public Affairs Director Randy Beehler – 901-1142

Release Date: Tuesday, July 27th, 2021

Water Main Repairs to Restrict Traffic on West Walnut Street

Water main repairs will result in traffic restrictions on West Walnut Street between 5th Avenue and 6th Avenue on Wednesday, July 28th through Friday, July, 30th. Work on the project will begin at 7:00 am and last until 3:30 each day.

Traffic will be limited to one lane in both directions in the project area. Due to heavy traffic volumes on West Walnut Street, drivers can expect delays. Drivers should use alternate routes if possible until the work is completed.

Drivers are reminded that the speed limit through all traffic-related works zones within the City of Yakima is 20 miles-per-hour.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area if necessary.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Water Distribution Supervisor Emilio Lopez at 575-6196.
