**Release Date: Friday, April 14, 2023**

## **Water line Work to Restrict Traffic on North 16<sup>th</sup> Avenue**

Water line work will result in traffic restrictions on North 16<sup>th</sup> Avenue between McKinley Avenue and Garfield Avenue on Monday and Tuesday, April 17<sup>th</sup> and 18<sup>th</sup>. Work on the project will begin at 7:00 am and last until 3:30 pm each day.

Traffic will be limited to one lane in both directions in the project area. Due to heavy traffic volumes on 16<sup>th</sup> Avenue, drivers can expect delays. Drivers should use alternate routes if possible until the work is completed.

Drivers are reminded that the speed limit through all traffic-related work zones within the City of Yakima is 20 miles-per-hour.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area if necessary.

The repairs may cause interruptions in scheduled refuse collection. Contact the City of Yakima Refuse Division at 509-575-6005 for more information.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Water Distribution Supervisor Emilio Lopez at 509-575-6196.
