Release Date: Wednesday, December 27th, 2017

Waterline Repairs to Close a Portion South 32nd Avenue

Repairs to a waterline will result in the closure of South 32nd Avenue between Bonnie Doone Avenue and West Nob Hill Boulevard on Thursday, December 28th. The work will begin at 7:00 am and should be completed by 3:30 pm.

Drivers are reminded that the speed limit through all traffic-related works zones within the City of Yakima is 20 miles-per-hour.

Drivers can expect delays in and around the project area and should use alternate routes if possible until the work is completed.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area if necessary.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Water Distribution Supervisor Emilio Lopez at 575-6196.
