# **News Release**

**Subject: Wide Hollow Road Culvert Clearing**

**Contact: Streets & Traffic Manager Joe Rosenlund – 576-6430**

**Communications & Public Affairs Director Randy Beehler – 901-1142**

**Release Date: Tuesday, March 19<sup>th</sup>, 2019**

## **Wide Hollow Road Culvert Clearing to Restrict Traffic**

Traffic will be restricted to one lane on a section of Wide Hollow Road from 9:00 am to 2:00 pm tomorrow, Wednesday, March 20<sup>th</sup> so crews can clear out a culvert in the area.

The project will impact Wide Hollow Road between 96<sup>th</sup> Avenue and 80<sup>th</sup> Avenue. The eastbound lane will be closed and flaggers will be on site to direct traffic.

During the project, traffic delays in the area are likely to occur. Drivers should use alternate routes if possible until the project is completed.

Access to homes and businesses in the area will be maintained as best as possible and emergency vehicles will be allowed through the project areas if necessary.

The repairs may cause interruptions in scheduled refuse collection. Contact the City of Yakima Refuse Division at 575-6005 for more information.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For additional information regarding this project, contact Streets and Traffic Manager Joe Rosenlund at 576-6430.
