## **Harman Center Trips and Tours Publishes World Travel Catalog**

Due to the program's ongoing popularity, the Trips and Tours program at the City of Yakima's Harman Center recently published its first-ever "World Travel Catalog" for 2019.

Ireland, a river cruise through Central Europe, Washington D.C. and the Grand Canyon are just some of the travel itineraries that will be offered in 2019.

"This will allow everyone who wants to go on some of these trips plenty of time to plan ahead," said HC Trips & Tours Coordinator Lori Schatz.

The 60-page catalog is available by clicking <http://bit.ly/HarmanWorldTourCatalog>
