News Release

Subject: Yakima Avenue Road Repair

Contact: Streets & Traffic Manager Joe Rosenlund – 576-6430

Communications & Public Affairs Director Randy Beehler – 901-1142

Release Date: Thursday, September 25th, 2014

Road Repair Will Result in Closure of Part of Yakima Avenue

A three-block section of Yakima Avenue will be closed to all traffic for a good portion of the day on Monday, September 29th while crews repair and repave the street.

Yakima Avenue between 19th Avenue and 22nd Avenue will be closed from 9:00 am to 2:00 pm while the project is underway. Detour routes utilizing 19th Avenue, 22nd Avenue, and Park Avenue will be available to allow drivers to avoid the project area.

During the project, traffic delays in the area are likely to occur. Drivers should use alternate routes if possible until the project is completed.

Access to homes and businesses in the project area will be impacted, but will be maintained when possible. Emergency vehicles will be allowed through the project area if necessary.

As always, the schedule for this type of a project is subject to change daily dependent on weather, equipment failure, and emergencies.

For additional information about this project, contact Streets and Traffic Operations Manager Joe Rosenlund at 576-6430.
