Interactive Map, App for Yakima Transit Routes

Yakima Transit is making it easier for you to track your bus with DoubleMap at <http://yakimatransit.doublemap.com/map/>

The map shows Yakima Transit's bus routes in real time, including each bus stop and the locations of buses along the routes. The map web page features announcements, as well as links to Yakima Transit's website and the Bus Book website.

It also allows users to give feedback about Yakima Transit's service.

And, yes, there's an app for that.

DoubleMap's app for those using mobile devices is available for free on the App Store and Google Play.

Call 575-6175, visit <https://yakimatransit.org/> or e-mail asktransit@yakimawa.gov for more about Yakima Transit.
