Bring your masks and bikes down to Yakima's proposed location for a bike park and offer your input on the design. Afterwards there will be a bunny-hop competition and the winner will walk away with \$100.

If you can't make it to the event, don't worry: you can scan the QR code on this poster and fill out the bike park survey any time between now and July 6th!

We can't wait to gather your ideas and use them to design a world-class asphalt pumptrack for riders of all experience levels right here in Yakima!
