Subject: Sewer System Project on Englewood Avenue
Contact: Construction Supervisor Bruce Floyd – 575-6138
Communications & Public Affairs Director Randy Beehler – 901-1142
Release Date: Friday, October 7th, 2016

Sewer Main Installation to Impact Traffic on Englewood

Installation of a sewer main to serve a new senior living complex will result in traffic impacts on a portion of Englewood Avenue from Monday, October 10th through Friday, October 14th.

The portion of Englewood between 40th Avenue and 44th Avenue will be closed from October 10th through October 14th while a sewer main is installed to serve new unit that are being built as part of the Pear Orchard senior living complex. Work on the project is scheduled to take place each day from 7:00 am to 5:00 pm.

While the project is underway, detour routes around the project area will be available. Appropriate signage will be in place to direct drivers to the detour routes.

During the project, traffic delays in the area are likely to occur. Drivers should use alternate routes until the project is completed.

Access to homes and businesses in the project area will be maintained as best as possible. Emergency vehicles will be allowed through the project area if necessary.

As always, the schedule for this type of a project is subject to change daily dependent on weather, equipment failure, and emergencies.

For additional information about this project, contact Construction Supervisor Bruce Floyd at 575-6138.
