I hereby certify under penalty of perjury of the Laws of the State of Washington that I have read and examined this application and know that the information contained herein is true and correct. I will comply with all provisions of law and ordinances governing this type of construction work, whether specified herein or not. I understand that the granting of a permit does not authorize me in any way to violate or cancel any of the provisions of state or local law regulating the construction or performance of construction sought under this permit. I further certify, as applicant, that I am one of the three following general categories of applicants as indicated by my signature below:

- { } a. Requirements of RCW 18.27 that a person engaged "in the pursuit of an independent business" as a contractor comply with the licensing provisions of that chapter do not apply to one who fulfills a single, isolated construction contract without any intent of undertaking further construction contracts in the future. One who undertakes to perform a single isolated construction contract need not comply with the registration requirements of RCW 18.27 in order to maintain a suit under that contract when he is not in the regular course of business engaged as a contractor.
- { } b. That I am currently registered and properly licensed as a general contractor or specialty contractor as defined under RCW 18.27.010 and 18.27.110 and am legally qualified to perform the work sought by this permit, or;
- { } c. That I am exempt from the requirements of the Contractor Registration Laws, RCW 18.27.010 and 18.27.110 and will do all my own work or use all registered and licensed subcontractors in connection with the work to be performed under this permit applied for herein.

Fire Plan Review and Permit Fees

Alarm and Sprinkler Systems Per System:

0-4999 sq. ft. per floor

1 hr plan review @ \$47; 1 hr inspection fee @ \$47 = Total \$94

5000-7499 sq ft per floor

2 hr plan review @ \$47; 2 hr inspection fee @ \$47 = Total \$188

7500> sq. ft. per floor

3 hr plan review @ \$47; 3 hr inspection fee @ \$47 = Total \$282

Suppression Systems:

1 hr plan review @ \$47; 1 hr inspection fee @ \$47 = \$94

Re-inspections due to testing failure: \$47 per inspection

Systems installed without a permit \$188 per system

Systems installed w/o testing & business in operation \$376

PLUS a Mechanical Permit

Temporary Membrane Structures and Tents (2012 IFC 3103)

A permit is required "to operate an air-supported temporary membrane structure or a tent having an area in excess of 400 sq. ft." ; 1 hour plan review @ \$47; 1 hr inspection fee @ \$47 =

Total \$94 (PER TENT)

Exceptions:

1. Tents used exclusively for recreational camping purposes.
2. Tents open on all sides, which comply with all of the following:
 - a. Individual tents having a maximum size of 700 sq. ft.
 - b. The aggregate area of multiple tents placed side by side without a fire break clearance of not less than 12 feet shall not exceed 700 sq. ft. total
 - c. A minimum clearance of 12 feet to structures and other tents shall be provided.

Underground Tank Removal Inspection Fee:

\$47 permit fee, per tank, submitted with a completed Fire Permit Application and Underground Storage Tank Removal Checklist

NOTE: All of the above-referenced fees are paid at time of plan submittal.

Table 10.05.015A of the Yakima Municipal Code reads.

1. Plan review for compliance with Title 10.05 YMC and for changes, additions or revisions to approved plans (minimum charge – one hr.) \$47 per hr.
2. Normal inspection (minimum charge – one hr.) \$47 per hr.
3. Re-inspection (minimum charge – one hr.) \$47 per hr.
4. Inspections for which no other fee is specifically indicated (minimum charge – 1 hr.) \$47 per hr.

In the event additional fees are imposed, as outlined in items 1-4, said fees will be required to be paid prior to receiving any other inspections for the project.
