FIRE ALARM PERMIT APPLICATION (CONT'D)

PART 4 - Working Plan Requirements per NFPA Chapter 72

INSTRUCTIONS: The following list represents the minimum documentation required for new fire alarm systems, supervising station and shared communication equipment, and emergency communications systems, including new systems and additions or alterations to existing systems. Please read and check off each item below that is included in the working plans. For any items in the checklist below that are NOT included in the working plans, an explanation of how the requirement does not apply to this project MUST be outlined in the application project description field.

- ☐ 1. Written narrative providing intent and system description
- ☐ 2. Riser diagram
- ☐ 3. Floor plan layout showing locations of all devices, control equipment, and supervising station and shared communications equipment with each sheet showing the following:
 - (a) Point of compass (north arrow)
 - (b) A graphic representation of the scale used
 - (c) Room use identification
 - (d) Building features that will affect the placement of initiating devices and notification appliances
- ☐ 4. Sequence of operation in either an input/output matrix or narrative form
- ☐ 5. Equipment technical data sheets
- ☐ 6. Manufacturers' published instructions, including operation and maintenance instructions
- ☐ 7. Battery capacity and de-rating calculations (where batteries are provided)
- ☐ 8. Voltage drop calculations for notification appliance circuits
- ☐ 9. Mounting height elevation for wall-mounted devices and appliances
- ☐ 10. Where occupant notification is required, minimum sound pressure levels that must be produced by the audible notification appliances in applicable covered areas
- ☐ 11. Pathway diagrams between the control unit and the supervising station and shared communications equipment
- ☐ 12. Completed record of completion in accordance with 7.5.6 and 7.8.2

I hereby certify that the items checked in Part 4 of this application are true and correct to the best of my knowledge and that the application project description includes an outline of how any items in Part 4 that are not checked off as being included in the working plans do not apply to this project.

FIRE ALARM PERMIT APPLICATION (CONT'D)

PART 5 – Declaration

I hereby certify that (please select one):

- ☐ I am a **CONTRACTOR** or SPECIALTY CONTRACTOR currently registered and properly licensed as defined under RCW 18.27.010 and 18.27.110 and am legally qualified to perform the work sought by this permit.
- ☐ I am an **AUTHORIZED AGENT** of the property owner and all work will be done by the property owner or a properly licensed contractor or specialty contractor as defined under RCW 18.27.010 and 18.27.110 and is legally qualified to perform the work sought by this permit.
- ☐ I am **EXEMPT** from the requirements of the Contractor Registration laws, per RCW 18.27.090, and will abide by all provisions and conditions of the exemption as stated. I will do all of my own work or use all registered and licensed contractors and/or specialized contractors in connection with the work to be performed under the permit applied for herein.

I hereby certify under penalty of perjury of the Laws of the State of Washington that I have read and examined this application and know that the information contained herein is true and correct. I understand that the granting of a permit does not authorize me in any way to violate or cancel any of the provisions of state, federal or local laws regulating the construction or performance of construction sought under this permit.
