Single Family Residential Patio Covers & Carports

Directions

- Fill in the blanks with dimensions and materials which will be used to build the structure. Please print legibly.
- Indicate in the check boxes which details from page 2 will be used. Please note if any of the sides of your carport addition are closer than 5'-0" to the property line, that side of the carport must be enclosed with a solid 1 hour fire rated wall as shown for Alternate Detail B. You must however, keep at least two sides of the carport open to conform to the building code requirements. Zoning approval is required.
- Roofing to be installed per manufacturer's instructions, including low slope application and required inspections made.
