NEW DOMESTIC WATER AND/OR NEW SEWER CONNECTION

PERMIT APPLICATION AND COST REQUEST

Permit #s: W _____ WW _____

Cost Request Only

Job Address: _____ Parcel Number: _____

Project Description: _____

*Estimated cost of labor and materials for the installation: Water \$ _____ Sewer \$ _____

** This is the bid price from your contractor to do the work of installing a side sewer or water service from the meter to the structure. If the work will be performed by the property owner, the estimated cost you provide will be the cost of materials multiplied by two. This amount is separate and distinct from city connection fees and permit charges.*

- Once water connection fees are paid the Water Division will schedule the installation of the meter.
- If work will be performed in City right-of-way, an Excavation Permit is required. Excavation Permits are administered through the City's Engineering Division. Contact them at 509-575-6111 or refer to <https://www.yakimawa.gov/services/engineering/> for further information.
- Prior to any excavation, a utility locate must take place. Dial 811 or visit www.call811.com for further information.
- If the sewer main must be tapped in order to install a sewer stub, a specialty Side Sewer Installers license is required by the City of Yakima. Contact our office regarding this license, if applicable.

DECLARATION - I hereby certify that (please select one):

I am a **CONTRACTOR** or **SPECIALTY CONTRACTOR** currently registered and properly licensed as defined under RCW 18.27.010 and 18.27.110 and am legally qualified to perform the work sought by this permit.

I am an **AUTHORIZED AGENT** of the property owner and all work will be done by the property owner or a properly licensed contractor or specialty contractor as defined under RCW 18.27.010 and 18.27.110 and is legally qualified to perform the work sought by this permit.

I am **EXEMPT** from the requirements of the Contractor Registration laws, per RCW 18.27.090, and will abide by all provisions and conditions of the exemption as stated. I will do all of my own work or use all registered and licensed contractors and/or specialized contractors in connection with the work to be performed under the permit applied for herein.

I hereby certify under penalty of perjury of the Laws of the State of Washington that I have read and examined this application and know that the information contained herein is true and correct. I understand that the granting of a permit does not authorize me in any way to violate or cancel any of the provisions of state, federal or local laws regulating the construction or performance of construction sought under this permit.
