

Traffic Calming Petition

City of Yakima Neighborhood Traffic Program

The undersigned owners and residents of property hereby petition for the Traffic Calming Measures in the following location(s):

Name of Street(s): _____

This petition should **only** be signed by supportive property owners and residents within the Neighborhood and impacted street areas of the proposed Traffic Calming measure. Only **one signature** per property parcel. Any additional signatures from a single parcel will be not considered. Please note that you are under no obligation to sign or not sign this petition.

“ I support the proposal to implement traffic calming to the street(s) in our neighborhood.”

NOTE: Please review the information on the website <https://www.yakimawa.gov/services/engineering/neighborhood-traffic-program/> for additional information on the Traffic Calming program. Successful petitions need **30% or more** of the project area residents/businesses to sign in support to initiate a traffic calming project. All petitions must be signed at the bottom by the Petition Collector. Submit original copies of each petition for Neighborhood Traffic Program to the City of Yakima– Clerks Office. Each applicant is responsible for keeping an extra file copy of the petition.

NOTE TO RESIDENT: The program is currently backlogged. New requests are expected to take 12-18 months for Engineering to perform a traffic analysis. Implementation of calming may take up to two years or more depending on funding. If you would like to know more about devices proposed for traffic calming in your neighborhood, contact Robert Washabaugh, *Supervising Traffic Engineer*, at 509-575-6111 or robert.washabaugh@yakimawa.gov.
