\$1,000,001 and above*	\$ 5,070.22	\$ 3.02
The plan review fee will be 65% of the calculated Building Permit Fee		

*Fee Amount for the first value indicated plus Additional Fee per \$1,000 or fraction thereof.

Example: A \$25,000 valuation would be charged a Fee Amount of \$64.63 for the first \$2,001 of valuation plus \$12.86 for each \$1,000 that is above \$2,001.

a. The plan review fee shall be 65% of the calculated Permit Fee. Permits that do not require plan review shall not be charged a plan review fee.

b. Valuations for new construction shall be based on the square footage of the new construction multiplied by the fee amount per square foot assigned to the occupancy group and type of construction outlined in Table 1-1. Permit fees and plan review fees in Table 1-2 shall apply based on this calculated valuation. For all other work proposed, the permit fee will be based on the total value of work. Final permit valuation shall be set by the building official.

c. If the valuation provided by the applicant does not include the cost of labor, then the cost of materials shall be doubled. Final permit valuation shall be set by the building official.

d. Permit fees shall be calculated based on the valuation of the proposed work including, but not limited to, permits for building, plumbing, mechanical, fire and life safety, signs, roofing, manufactured home placements, demolitions, moved structures, firework displays and swimming pools.
