RE: Notice of Public Meeting  
Type II Review for Certificate of Appropriateness  
Property located at

A proposal to re-roof (HPR#001-26) a historic building / residence located at 2109 W. Yakima Ave., has been determined to require a public meeting for review by the city's Historic Preservation Commission and determination concerning the issuance of a Certificate of Appropriateness in accordance with YMC Chapter 11.62.050.

Type II Review by the Commission is required for any proposed alteration of the appearance of a significant feature to a historic property to certify the changes as not adversely affecting the historic characteristics of the property which contribute to its designation.

A public meeting to review your proposals has been scheduled for **Wednesday, February 25, 2026 at 5:30pm in City Hall Council Chambers**. You may contact me at (509) 575-6162 or email [connor.kennedy@yakimawa.gov](mailto:connor.kennedy@yakimawa.gov) if you have any questions concerning this action.

Sincerely,

*Connor Kennedy*
