Such consideration by the Council shall be

made after reasonable notice to the parties, who shall have the right to be in attendance and to be heard.

5.2 Mediation:

In the event the Union and the City Manager are unable to resolve any negotiable matter relating to wages, hours and working conditions, either party may request mediation. Before mediation is requested, the unresolved matter must be reduced to writing and reasonable notice given to the other party of intentions to seek mediation. Mediation shall be conducted by an appointee of the Washington State Public Employment Relations Commission (PERC), or the Federal Mediation Conciliatory Service (FMCS). The parties shall attempt to agree as to whether to request a mediator from PERC or FMCS, however if the parties cannot agree, a mediator shall be requested from PERC.

5.3 Fact Finding:

In the event the Union and the City Manager are unable to resolve any negotiable matter relating to wages, hours and working conditions, either party may request fact finding. Before fact finding is requested, the unresolved matter must be reduced to writing and reasonable notice given to the other party of intentions to seek fact finding. 5.5 Public Disclosure:

Neither party shall independently issue releases to any news media, nor otherwise make public disclosure, during pre-impasse negotiations for a collective bargaining agreement.

ARTICLE 6 - GRIEVANCE PROCEDURE

6.1 Policy:

The parties recognize that the most effective accomplishment of the work of the City requires prompt consideration and equitable adjustments of employee grievances. It is the desire of the parties to resolve grievances informally whenever possible, and both supervisors and employees are expected to make every effort to resolve problems as they arise. However, it is recognized that there may be grievances which can be resolved only after a formal review. Accordingly, the following procedure is hereby established in order that grievances of employees covered by this CBA may be resolved as fairly and expeditiously as possible.

6.2 Remedies:

The Union may either grieve matters according to this Article or the Union may appeal to the Yakima Charter Civil Service Commission according to the Commission's Rules and Regulations. However, the Union may not exercise both approaches but must choose one or the other.

6.3 Definitions:

- A)** A "grievance" is a dispute concerning the interpretation, application, or alleged violation of any provision of this Agreement.
- B)** The term "employee" as used in this Article means a permanent, permanent part time, permanent seasonal, or probationary employee who is a member of the bargaining unit or group of such employees, accompanied by a representative if so desired.

6.4 Special Provisions:

- A)** The aggrieved party and his or her chosen representative shall be granted time off without loss of pay for the purpose of processing a grievance. City employees attending hearings as a witness for the aggrieved party shall be granted time off without loss of pay for the purpose of providing testimony, including Civil Service Commission meetings. The aggrieved party's representative may, after making advance notification in writing as soon as possible to the relevant Division Manager(s), visit the work location of employees covered by this CBA for the purpose of investigating a grievance. Said investigation shall be conducted so as not to disturb the work of uninvolved employees.
- B)** Grievances on behalf of one individual employee may not be initiated or pursued without the employee's written consent.
- C)** Grievances on behalf of more than one individual employee may be initiated or pursued without the employees' written consent.
- D)** A grievance may be entertained in or advanced to any step in the grievance procedure if requested by one party in writing and agreed to by the other party in writing.
- E)** The time limits within which action must be taken or a decision made as specified in this procedure may be extended by mutual written consent of the parties involved. A statement of the duration of such extension of time must be signed by both parties involved at the step to be extended. Failure of either party to meet the time limit or extended time limit for responses or appeals at any step in the process shall render the decision in favor of the other party.

6.5 Procedure

To be reviewable under this procedure a Union grievance must be filed in writing within thirty (30) calendar days after the action or decision giving rise to the grievance and must comply with the following:

- A)** Be filed upon an AFSCME Form F-29.
- B)** Identify an alleged act or omission by management concerning this CBA.
- C)** Identify the specific provisions of this CBA alleged to have been violated.
- D)** Specify the relief sought.

6.6 STEP I: Informal Discussion with Immediate Supervisor:

Prior to filing a written grievance as described in Step II below, the employee shall meet with his or her immediate supervisor to discuss the subject of dispute. If the subject of dispute is the immediate supervisor, the employee shall meet with the Division Manager.

6.7 STEP II: Grievance Filed with Division Manager:

The affected employee shall pose the question of the grievance in writing to his or her Division Manager within 30 calendar days of the action or decision giving rise to the grievance. The Division Manager shall answer the question of the misunderstanding and/or dispute in writing within 15 calendar days.

6.8 STEP III: Grievance Appealed to Department Head:

An employee who is dissatisfied with the decision of the Division Manager may submit the grievance in writing to the Department Head within fifteen (15) calendar days after receipt of the Division Manager's decision. The Department Head shall make a separate investigation and notify the employee in writing of the decision, and the reasons therefore, within fifteen (15) calendar days after receipt of the employee's grievance.

6.9 STEP IV: Grievance Appealed to City Manager:

If the employee is dissatisfied with the decision of the Department Head, the employee may obtain a review by the City Manager by submitting a written request to the City Manager within fifteen (15) calendar days after receipt of the decision of the Department Head. The City Manager shall make such investigation and conduct such hearings as is deemed necessary, and shall, within fifteen (15) calendar days after receipt of the employee's request for review, inform the employee in writing of the City Manager's findings and decision.

6.10 Management Grievance:

Any grievance by the City against the Union shall be reduced to writing and submitted, no later than thirty (30) calendar days after having been made aware of the issue, to the President of the Union Local with a copy to the WSCCCE staff representative. The Union President shall make an investigation of the relevant facts and shall, within fifteen (15) calendar days, provide a written decision, and the reasons therefore. If the matter is not satisfactorily settled, an appeal may be instituted as set forth in 6.11 below.

6.11 STEP V: Final Resolution of Grievance:

A) Either party to this CBA may refer unsettled grievances to Arbitration.

B) A request for Arbitration shall be in writing and shall be submitted to the other party not more than thirty (30) calendar days after the reply of the City Manager, or the Union President, respectively, unless the time shall be extended by written mutual agreement.

Such request shall identify the previously filed grievance which is the basis for the request for Arbitration and shall set forth the issue or issues which the party making the request seeks to resolve.

C) The Arbitrator may be selected by mutual agreement between the City Manager and the Union. Alternatively, the parties may mutually request a list of nine (9) Arbitrators from

the Public Employment Relations Commission (PERC), the American Arbitration Association (AAA), or the Federal Mediation and Conciliation Service (FMCS).

In the event the parties cannot agree on what agency to request a list from within fifteen (15) calendar days, then the moving party shall request a list of nine (9) Arbitrators from PERC. The moving party must request a list of arbitrators within thirty (30) calendar days of when the request for arbitration was submitted.

Within fifteen (15) calendar days from the receipt of the list the parties shall alternately strike names from the list until one (1) name remains, who shall serve as Arbitrator. The party to strike the first name shall be determined by a coin flip.

- D)** The Arbitrator shall be limited to determining whether the City or the Union has violated or failed to apply properly the terms and conditions of this CBA. The Arbitrator shall have no power to destroy, change, delete from or add to the terms of this CBA.
- E)** PERC rules and procedures shall govern the hearing.
- F)** The parties agree that the decision of the Arbitrator shall be final and binding and implemented within thirty (30) calendar days following the rendering of the decision.
- G)** The Arbitrator's fees and expenses, room rental, if any, and cost of the transcript(s) shall be shared equally by the parties.
- H)** Each party shall bear the remaining costs of the preparation and presentation of its own case, including attorneys' fees, regardless of the outcome.

ARTICLE 7 - BUSINESS LEAVE

7.1 Contract Administration:

Members representing the Union, not exceeding seven (7) in number, shall be granted leave from duty without any loss of pay for actual time spent for all meetings between the City and the Union for the purpose of negotiating wages, hours and working conditions and the terms of a contract and up to four (4) members for meetings between the City and the Union for the purpose of processing grievances when such meetings take place at a time during which any such members are scheduled to be on duty. Actual time spent for meetings shall be limited to time spent in meetings and travel time. The Union may choose which union members to send to contract administration meetings, provided it gives the members' immediate supervisor(s) reasonable notice. bargaining and civil service, provided that notice of such leave shall be given in writing at least one week prior thereto (emergencies excepted), and approval obtained from the Department Head, and provided further that the total leave for the bargaining unit for the purpose set forth in this section shall not exceed 135 hours in any calendar year.

I am an AFSCME employee for the City of Yakima who must maintain a valid Commercial Driver's License (CDL) in order to operate any commercial motor vehicle. I understand that I must be physically qualified to do so in accordance with the Physical Qualifications for Drivers standards as set forth in 49 CFR 391.31, and must obtain a medical examiner's certificate initially and for subsequent license renewals. The City of Yakima provides paid medical examination services for this purpose. As an alternative to the City provided examination, I am electing to utilize my regular physician for the screening and certificate at my own expense.

I acknowledge my obligation to fully represent all medical information to my evaluating physician, and to accurately disclose any medical information or condition to the physician, requested or not, to the best of my ability.

I FURTHER AGREE TO DEFEND, INDEMNIFY AND HOLD HARMLESS THE CITY OF YAKIMA, AND IT'S ELECTED OR APPOINTED OFFICIALS, OFFICERS, EMPLOYEES, AGENTS, AND VOLUNTEERS FROM ANY CLAIM, DAMAGE, COST OR LIABILITY RESULTING FROM, OR RELATED TO, ANY INTENTIONAL MISPRESENTATION OR ANY FAILURE TO ACCURATELY DISCLOSE WHAT I KNOW TO BE RELEVANT MEDICAL INFORMATION TO MY EXAMINING PHYSICIAN.

I agree to all of these terms on behalf of myself, my child (if applicable), my spouse (if applicable), my family, my heirs, my executors and personal representatives of my estate, and this Release of All Claims, Waiver of Liability, and Hold Harmless Agreement is binding on them.

I have read and understand the information in this Release of All Claims, Waiver of Liability, and Hold Harmless Agreement.
